- trolleys and sack trucks
- hooks and chains
- manipulators

LIQUID SPILL CLEAN-UP

When liquid spills occur, minimise environmental damage, protect the health of your employees and maintain a clean operation.

SEALANTS

- emergency sealants
- sealing plates
- bandages

ADR EQUIPMENT

- emergency kits
- signage
- lights
- personal protective equipment

LOOSE SORBENTS

- cleaning
- oil
- chemical

FAT SEPARATORS

- sewage filters

EMERGENCY KITS

- cleaning
- oil
- chemical
- by size
- individual emergency kits

TEXTILE SORBENTS

- cleaning
- oil
- chemical
- mats
- rugs
- cloths and rugs
- cushions

POLYETHYLENE BAGS

- different colours
- sizes and thickness

OCCUPATIONAL SAFETY

Protect the health of everyone at your workplace and prevent damage to property.

PARTITIONING POSTS

- metal
- self-retracting
- posts and cassettes

SAFETY LABELLING

- prohibitory
- command
- combined
- escape
- fire

MEANS OF ESCAPE

- escape hoods
- breathing apparatuses

WARNING AND ORIENTATION LABELLING

- reflective tapes
- photoluminescent warning tapes
- orientation tapes

POSTS AND CHAINS

- plastic and metal posts
- many colours of chains
- trolleys

FIRE PROTECTION

- powder
- snow
- lithium battery extinguishing

HEALTH PROTECTION

- first aid kits
- defibrillators
- eyewashes
- body and eye showers

PIPE LABELLING

- labels in rolls and on sheets
- flow direction signage
- valve signage

PHOTOLUMINESCENT LABELLING

- escape
- spatial
- fire

TRAFFIC SAFETY

- safety mirrors
- signs
- thresholds

ANTI-SLIP DEVICES

- floor tapes
- anti-slip tapes
- warehouse signs
- stair signage

ANTI-COLLISION SYSTEMS

- collision avoidance sensors
- SALVO loading dock safety
- safety marking projectors

- for furniture
- for floors
- for glass
- for bathroom and kitchen

CLEANING MATS

- indoor and outdoor mats
- disinfection mats

INFORMATION AND PRESENTATION SYSTEMS

- suspension bases and holders
- suspension foils

POLYETHYLENE BAGS

- different colours
- sizes and thickness

WASTE CONTAINERS

- tipping containers
- outdoor and indoor bins
- metal bins

THE EXCELLENT LEVEL OF EHS GOES BEYOND THE LEGAL MINIMUM. AND SO WE DO

In our opinion, EHS (Environment, Health & Safety) is an opportunity to provide employees with **real safety, well-being at the workplace and a healthy working environment**. It is also the starting point for the sustainability of any responsible business and a fundamental building block for ESG.

That's why we bring a high level of expertise and share know-how with partners and the market. Our goal is to support our customers in meeting their EHS commitments and improving both their internal and environmental environments. In short, we believe that **thanks to EHS, everything can have a happy ending**.

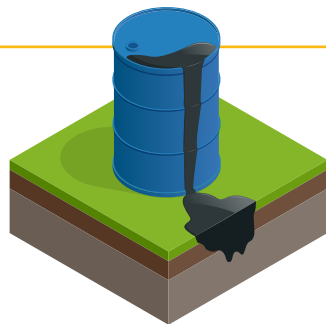

EHS EXCELLENCE DELIVERED
